

SCHOOL COUNSELING PROGRAM PHILOSOPHY:

We Believe...

- All students can be successful learners
- All students can acquire and learn to use skills, attitudes and knowledge that will prepare them to be competent and productive citizens
- All students have a right to feel safe at school AND a responsibility to help make school a safe place for others
- Every student deserves guidance and support in establishing goals for success
- All students deserve to understand the relevancy of their education
- Respect, courtesy, and compassion among students and staff are highly valuable

As Professional School Counselors, We Will...

- Plan, organize, and implement programs to promote successful learning in a safe, inclusive school climate
- Analyze and evaluate data to monitor student progress, guide program development and seek improvement each year
- Design, deliver, and manage a comprehensive school counseling program aligned with ASCA National Standards
- Abide by Ethical Standards for School Counselors
- Participate in professional development activities essential to maintaining and a quality school counseling program.
