

# What's BUZZIN' at Hand-In-Hand Primary School October

## PRINCIPAL'S MESSAGE

We always need substitute teachers. If you are interested, please contact the Thomas County Board of Education office for a substitute packet. All substitutes have to pass a background check and be approved by the Board of Education. This process takes a few weeks. Please consider becoming a substitute teacher.

# GRANDPARENT'S DAY

## NURSE'S NEWS

Happy Fall!! Stay well!  
 Remember to keep your child home if they have a fever of 100.4 degrees or higher. They must be fever free for 24 hours before returning!

## THE BOOKWORM

September flew by in the library!  
 We loved seeing all of our grandparents at our Fall Book Fair! Thank you for shopping with us. This month we celebrated the 20th anniversary of The Dot by Peter Reynolds. We also learned about nonfiction.

## COACH'S CORNER

Fall is here! Be sure to find time to enjoy playing outdoors and stay active! Go on a scavenger hunt and look for shapes!

## COUNSELOR'S CORNER

Hello, families! September is gone, and we are moving into the third month of school - can you believe that? The majority of our students are very settled in their routines at this point, and we appreciate your help in assisting us with that. The start of school can be difficult, but when we work together, we can accomplish so much!

## FAMILY ENGAGEMENT COORDINATOR

Thank you "Grands" for making Grand BINGO a huge success! We had so much fun spending time with you and your precious little ones. Games are fun for families as well as being filled with skills that will reinforce skills taught at school. I encourage you to pull out some of those old favorite games and start a game night for your family!

# SNAPSHOTS
