Is theatre for you?

Playing with theatre gives students the opportunity to improve their speaking skills, express themselves, and just plain "ham it up" in front of an audience! The class will include scene work, movement exercise, vocal exercise, improvisation, pantomime, make-up skills, monologues, oral interpretation, and much more. The class is for students at all levels of acting skills, from beginners to experienced.

Meet the instructor, Donna Mavity!

Ms. Mavity holds a BA in Theatre from LaGrange College. Her credits include participation as both actor and director in Red Hills Players, Bainbridge Little Theatre, and Thomasville Onstage & Co. Her original DRAMAKIDS! group worked with many young performers who have gone on to make their mark as adults in performing and educational arts including Jessica Dunbar, Caroline Buechner, Will Buechner, Megan Cone, and Hananel Jackson. Email Ms. Mavity at dmavity@hotmail.com or call 229-224-0124.

Is transportation provided?

The Thomas County School System will provide school bus transportation to Thomas County Middle School for students enrolling in programs there. Students will be met at the bus, escorted to the media center, provided a light snack, and taken to the appropriate location in the building for their lesson. After the lesson, students may have supervised homework time in the media center until 5:30 p.m. All students must be picked up from Thomas County Middle School by 5:30 p.m. Students may participate in the afternoon supervised homework program only on days when they are participating in a music, art, or dance lesson.
