The Thomas County School System has an existing Motorola “Mototrbo Capacity Plus” Radio System in its schools that is supported by a tower located at the Thomas County Bus Garage located at 100 Charlie Ward Boulevard, Thomasville, Georgia 31792.

This is a request for bids for a vendor to furnish and install new radios on school buses and in support vehicles and provide handheld radios as specified in the chart below. Please note that all radios must work on the existing Mototrbo Capacity Plus System. All installations in vehicles must be completed onsite at the Thomas County Bus Garage located at 100 Charlie Ward Boulevard, Thomasville, Georgia 31792. All reprogramming of existing radios must be completed onsite at each of the district’s locations where the radios are located: Hand-in-Hand Primary School, Garrison-Pilcher Elementary School, Cross Creek Elementary School, Thomas County Middle School, Thomas County Central High School, Bishop Hall Charter School, the Renaissance Center, Pathways Educational Program, and the Thomas County Board of Education.

Please provide unit pricing and a total package price in the chart below.

Any labor, installation, or other devices or costs required to supply, install, and place in service the radio system described above			
Total bid price for this project			\$

Radios must be delivered, installed, and programmed during the school system’s summer break which begins May 21, 2024, and ends July 22, 2024. No substitutions are allowed on this bid as the new radios must be fully compatible with the existing system.

Please provide bid pricing by 2:00 PM on Wednesday, February 28, 2024. Bids may be emailed to dkornegay@tcjackets.net, mailed to the address at the top of this page, or hand delivered to the Thomas County Board of Education. Bids will be opened at 2:00 PM on February 28 in the Board Meeting Room located at 200 North Pinetree Blvd., Thomasville, GA 31792. The Thomas County Board of Education reserves the right to waive technicalities and to award the bid that it deems to be in the best interest of the school district. The bid may be awarded in whole or in part.
